
We pioneered the discount broking model in India.

Now, we are breaking ground with our technology.

We kick-started operations on the 15th of August, 2010 with the goal of breaking all barriers that traders and investors face in India in terms of cost, support, and technology. We named the company Zerodha, a combination of Zero and "Rodha", the Sanskrit word for barrier.

Today, our disruptive pricing models and in-house technology have made us the biggest stock broker in India.

Over 1.6+ crore clients place billions of orders every year through our powerful ecosystem of investment platforms, contributing over 15% of all Indian retail trading volumes.

In addition, we run a number of popular open online educational and community initiatives to empower retail traders and investors.

[Rainmatter](#), our fintech fund and incubator, has invested in several fintech startups with the goal of growing the Indian capital markets.

And yet, we are always up to something new every day. Catch up on the latest updates on our [blog](#) or see what the media is [saying about us](#) or learn more about our business and product [philosophies](#).

Nithin Kamath

Founder, CEO

Nithin bootstrapped and founded Zerodha in 2010 to overcome the hurdles he faced during his decade long stint as a trader. Today, Zerodha has changed the landscape of the Indian broking industry.

He is a member of the SEBI Secondary Market Advisory Committee (SMAC) and the Market Data Advisory Committee (MDAC).

Playing basketball is his zen.

Investments in securities market are subject to market risks; read all the related documents carefully before investing.

Attention investors: 1) Stock brokers can accept securities as margins from clients only by way of pledge in the depository system w.e.f September 01, 2020. 2) Update your e-mail and phone number with your stock broker / depository participant and receive OTP directly from depository on your e-mail and/or mobile number to create pledge. 3) Check your securities / MF / bonds in the consolidated account statement issued by NSDL/CDSL every month.

"Prevent unauthorised transactions in your account. Update your mobile numbers/email IDs with your stock brokers. Receive information of your transactions directly from Exchange on your mobile/email at the end of the day. Issued in the interest of investors. KYC is one time exercise while dealing in securities markets - once KYC is done through a SEBI registered intermediary (broker, DP, Mutual Fund etc.), you need not undergo the same process again when you approach another intermediary." Dear Investor, if you are subscribing to an IPO, there is no need to issue a cheque. Please write the Bank account number and sign the IPO application form to authorize your bank to make payment in case of allotment. In case of non allotment the funds will remain in your bank account. As a business we don't give stock tips, and have not authorized anyone to trade on behalf of others. If you find anyone claiming to be part of Zerodha and offering such services, please [create a ticket here](#).
